

Eddie Jr. Saiz

Vice President

I have been a resident of Albuquerque my entire life. I enjoy the State of New Mexico and all the beautiful destinations it has to offer. I enjoy camping and hiking as well as fishing the great streams and lakes New Mexico has.

After I graduated from high school in 2005, I joined the Plumbers & Pipefitters Union where I obtained my Journeyman Plumber and Journeyman Gas Certifications. I then worked in the commercial plumbing industry for 7 years until my father and I decided to go into business together and started Dub-L-EE, LLC.

In 2012 I obtained my MM98 certifications allowing Dub-L-EE to fully utilize Eddie Sr. and Eddie Jr.'s expertise in the construction industry. Since starting the business in 2012 I went on to obtain a few more licenses to place DUB-L-EE in a unique and well diverse situation.
